# MUPPET BABIES IN- DINOSAUR PARTY!

A LONG TIME AGO, WHEN THE WORLD WAS COVERED WITH SWAMPS, DINOSAURS ROAMED THE EARTH! SOME WERE AS BIG AS MOUSES! SOME WERE SMALL, LIKE YOU KIDS!
AND THOUGH THEY WERE REALLY REPTILES, NOT LIZARDS, THE WORD "DINOSAUR" MEANS "TERRIBLE LIZARD"!
TERRIBLE LIZARDS? I THINK THEY'RE CUTE, NANNY!
BUT DO THEY TELL GOOD JOKES? THAT'S IMPORTANT, PIGGY!
OOO!
100000
000000
000000
DO? YOU MEAN DO, FOZZIE! DINOSAURS HAVEN'T BEEN AROUND FOR A HUNDRED MILLION YEARS!
TOO BAD! I BET WE'D HAVE FUN TOGETHER!

Dear STAR,

My name is Philip Roice. I love MUPPET BABIES comic books. I get all the issues I can. My favorite character is Kermit. I liked issue #15 ("The Magic Book"), when the MUPPET BABIES saw the reader of their comic book.

I wish you could have the Babies meet up with the Transformers. Could you? Pllleeeaaassse!!!!!

Philip Roice
Eagle Creek, OR

**Not exactly the shy type, are you, Philip?**

**Does this mean you want the Babies to transform into other things? An interesting idea. . . We know what Scooter would transform into, at least!**

Yo STAR!

I am 10, and I read all my sister's MUPPET BABIES comics. I have to admit that I get a chuckle out of them. One request, I would like to see Gonzo a little weirder. (He only gets a few lines in your comic. . . AND THEY ARE NOT FUNNY!)

Justin Bowe
Walnut Park, CA

**Hey, weird doing the best we can!**

Dear STAR,

My favorite baby is Gonzo because he looks so cute and he likes chickens!

Kathryn Cawley
Rochester, NH

**Nah! If you're brave enough to write to us, you can't be all that chicken, Kathryn!**

Dear STAR,

I like the MUPPET BABIES. In fact, I even watch the cartoon. I like Piggy and Kermit. Do you know why? The way Piggy wants Kermit to marry her. But the one I like most is Fozzie. I like the way he laughs (wocka-wocka). I like his jokes. Why don't the other MUPPET BABIES like his jokes?

Angie Retzlaff
Two Rivers, WI

**Because they've heard them all many, many times before!**

Dear STAR,

I love MUPPET BABIES! So does my brother, Chris. I wish the MUPPET BABIES were real. If they were real, I would play with them every day and I would let them sleep over every night. Say hi to them all for me!

Andrea Lawand
Sydney, Nova Scotia
Canada

**Very hospitable, Andrea. But Nanny surely would be worried if the Babies stayed out all night!**

Dear STAR Comics,

My name is Frank Thorne, and I just came across MUPPET BABIES #3 ("Kermit and the Beanstalk"). I have seven issues of them. (I die for your comics.)

Anyway, I am 10 years old. I avidly watch your cartoon series (which beats any other show on TV), and am highly EXCITED about your comic book series. All the MUPPET BABIES characters are depicted in the comics as they are on TV. JUST EXCELLENT! My favorite characters are Piggy, Gonzo, and Animal, since their comments are funny. Keep up the good work!

Frank Thorne
Chicago, IL

P.S. I drew a picture of Animal.

**Ten years old is too young to die! Would it help to get a subscription?**

Dear STAR,

Can you put Kermit in the Don Johnson look? Why does Piggy love Kermit?

Mike McGrath

**Miami Muppets? It could happen. . . In MUPPET BABIES, most anything can happen!**

Dear MUPPET BABIES,

How come you never show Nanny's face? Anyway, does Gonzo have to like Piggy? Why can't you add another weirdo for Gonzo instead of Piggy?

Besides that, I think you have a great show and comic book. Keep up the good work!

Nancy Turner
Alhambra, CA

**Gonzo doesn't have to like Piggy—he wants to! (Isn't that weird?)**

Dear STAR Comics,

I simply love reading STAR Comics! My favorites are MUPPET BABIES, CARE BEARS, and HEATHCLIFF. I wrote this little poem just for you!

S is for the super things you do.
T is for the terrific drawings of
my favorite characters.
A is for the action and adventure on
every page.
R is for the respect I have for the
STAR Comic company!
Together, this all spells out the
very best in comics, STAR!

One more thing, will you please stop raising the prices and make the comic book longer? Keep up the good work.

Jennifer and Davina Mock
New York, NY

**The sad truth is that publishing costs keep going up, Jennifer and Davina. And unfortunately, that means we have to charge you a little more. We hope you'll stick with us, though! We promise it'll be worth it!**

Dear STAR,

I love the MUPPET BABIES. My favorite is Gonzo. In my class, people call me a weirdo. Could it be possible that Gonzo is my cousin? Also, I have a stuffed chicken named Camilla!!

Michael Bolin
Cheektowaga, NY

**What color are you? Blue? And how big is your nose? It would be fun to be related to Gonzo, but there are certain disadvantages, you know!**

Dear STAR,

I love your Muppet magazine. It's like totally awesome! I like MUPPET BABIES and HEATHCLIFF best. When will your next magazine come out? I'm dying to see it.

I gotta go. See you later alligator! After awhile crocodile!

Michelle Polite
Lake City, Arkansas

**Just remember, in December!**

Dear STAR,

I'm ten years old, and I love the MUPPET BABIES! I just adore Gonzo! I like him when he's really weird. I wish Piggy would at least give him a little kiss. Can Gonzo have a bigger part?

Jill Tschopp
Lebanon, PA

Dear S.T.A.R.,

Even though I have read only one of your comic books—MUPPET BABIES #10 ("The Weather Demon")—I think all of them are great. My favorite character is Gonzo. Tell Gonzo I think he is creative, cute, loveable, and hilarious. Give him my love.

Kathleen Davis
Houston, TX

**Hoo-boy! Why is Gonzo getting all this mail? This is getting to be a really weird letter column!**

Dear STAR,

I am four years old. I like dinosaurs and MUPPET BABIES. Can you make a dinosaur story with the MUPPET BABIES? Dinosaurs are wonderful and so is this comic book.

I want to help you write stories when I grow up.

Seth Brian White
Gulfport, MS

**Your dinosaur idea was a good one, Seth—as you can see from this issue, great minds do think alike!**

**Maybe you do have a future in writing stories. So take your time, read lots of books, and develop your story skills. We at STAR will be right here, waiting!**
